You can also download more from the company and from other users in DirectorZone, or cut and paste graphics of your own in the particle tool.. If you don't believe me, just do a search on google and see for yourself Well, that is until now.. It will be nice to get a credit back if you use these resources, but it is of course not compulsory.. Any suggestions and ideas will also be much appreciated, (critics as well) ? Free Powerdirector Templates, theme designer and Resources such as Free Video Effects, Photo Frames & Tutorials.. After months of studying their templates, I'm finally able to create my own On this site you will find free projects, sound effects, video overlays, flares, explosions, fires, animated backgrounds, slideshows and a lot more for free use in your projects.
